

WHAT IS THE FLEECE & THANK YOU 150?

The Fleece & Thank You 150 (FTY 150) is a family of 150 companies, groups and organizations each donating at least 100 blankets in 2018 to help support children battling hospital treatments. The donating organizations have the option to donate AND make the blankets with their team members OR just donate the funds for the blankets. All contributions to the FTY 150 program will be used to partner with a local school, community group, or nonprofit organization to help make the 100 blankets. We aim to reach groups, specifically children's groups, that may have a lack of financial resources and normally wouldn't be able to participate in the blanket-making experience.

HOW WILL FTY 150 ORGANIZATIONS IMPACT KIDS IN THE HOSPITAL?

The work of the FTY 150 community will help at least 15,000 children who are starting treatment journeys at the hospital by giving them armor for their battle through a fleece blanket and a powerful video message of support.

HOW WILL FTY 150 BE RECOGNIZED?

All FTY 150 organizations and contributors will receive our FTY 150 sponsor package benefits, including a press release and Facebook-Live video announcing they have joined the 2018 FTY 150 family, official FTY 150 mega-sign to hang at their place of business, website logo placement, and photo recognition at a 2018 hospital delivery.

MISSION

Fleece & Thank You provides comfort and hope to children battling illness by giving donors the unique opportunity to create a fleece blanket and a cherished video message of support and encouragement.
