

HOW TO MAKE A BLANKET

1. Lay out fabric and trim edges for perfect fit.
2. Cut a square out of each corner.
The size of the square is relative to size of the patch or close to a 5x5 square.
3. Cut strips around edges. Each strip is 2-3 fingers wide.
4. **MOST IMPORTANT STEP:** Tie strips together in a double knot! Tie the print to the solid/tie the top to the bottom!

HOW TO MAKE YOUR VIDEO

1. With a smartphone, head to:
fleeceandthankyou.org/video
2. Click the **GREEN "Upload Video"** button
3. Enter your first name/name of group and emails of blanket-makers
4. Click **YELLOW "Select/Record Video"** button
5. Then click the **GREEN "Submit Video"** button after recording the video
6. After uploading video, write the code with a sharpie inside the box that's on the blanket patch. Code will look like:
fleece12345
7. Fold and bag blanket to return; label bag with name
